With Gigi, anything's possible. She loves to experiment with different ways of licking his balls, or slithering her tongue up his ass, or sucking on the head of his cock while she's hanging upside down in his arms. You don't get plain old ordinary sex with this girl. She's a shameless little urchin who loves to shock and amaze you with unexpected treats. No wonder Reno can't resist her, or stop thinking about her whenever she's not around. Gigi's crazy little gestures, her strange talk, the way her eyes look at you like a wild animal's-it's all like some aphrodisiac that keeps him hooked, always coming back for more.

The greatest thing about sex with this wild little creature is how liberating it can be for an uptight, middle-class guy like Reno. He doesn't have to hold back or hide anything from her. Gigi's primitive approach to sex, not to mention life in general, gives him total permission to indulge all of his animalistic impulses. He knows that the more forbidden his desires, the more she'll enjoy satisfying them. And when Gigi gets down on all fours and wags her tall at him like some alley cat in heat, he realizes that she's bringing him down to her uninhibited. amoral level—which is exactly where he wants to be Reno's got a tiger by the tail and doesn't want to let go. Besides, the only "letting go" that Gigi will allow is his unrestrained, volcanic eruption anside one of her hot and hungry little holes.

SHE GAVE AT THE OFFICE!

whether it's her accountant, her attorney, or any other poor schlus who's locked indoors for the nine-to-live duration, she knows she's a bright spot in an otherwise boring day. She's fully awant of the effect she has on them as she arrives in a shear posterior, and filting shamelessly, it's amazing how-these otherwise businesslike mere accidently clear their busy calendars for her, take here of any problems she may have, and walve heir fee with a clamiseive wave of the here. Normally all Hyder has to do is tease there, a little test service intertess.

When Ryder breezes through her tax accountant's door at closing time, he s happy to see her. "I'm always willing to stay late for my best clients," Alan tells her, "So how can I help you?" Ryder sits on his deak instead of in the client chair. "Well, now that I m an adult movie actress. I need to know if my pussy is a tax write-off?" Alan gets up and walks around the desk. "Hmm," he says, "let's take a look at this valuable asset of yours." Ryder pulls up her skirt to give him a better look. "For a long time now," she says, "men have been telling me that my pussy is like money in the bank. Is that true?" Alan node as he rubs his fingers over her labia. "Yes, that's true, Ryder, and it's definitely drawing interest!"

As Ryder bends over Alan's desk to see more clearly what he can do about her pusey's tax status, he admits that despite his several years as an accountant, this is all new territory for him. "But I'm willing to plunge in as deep as I need to go and give you the best service," he assures her. "I'm behind you all the way on this, Ryder, I think you've got a really great asset. and I can tell you it's only going to appreciate over the next few years-because I'm appreciat ing it already!" Ryder is certain. ly starting to feel good about Alan's expertise now. She knows she's in good hands *Do you think I'll be coming into money anytime soon?" she asks him. "I don't know," Alan answers, "but I certainly will, any moment now!" No doubt about, now that Ryder's pussy is creating new tax law, it'll have professional tongues wagging for a long time.
